

## **Dane Brooks**

**Certified Flight Instructor (CFI)**

**Certified Flight Instructor Instrument (CFII)**

**Qualified in: C172 Skyhawk C172 (180hp) C182 Skylane**

Dane's Aviation roots are deep and well rooted. He was born in Prosser, WA to a crop duster and rodeo queen. His Uncle is a retired United 747 Captain (seniority #1), his cousin is a United 787 Captain and his grandfather flew a PBY Catalina in WWII and was an avid GA enthusiast, owning a Beechcraft Bonanza V35 and a Cessna 310. He has lived all over the west coast from Seattle, to Reno, to San Francisco to Tucson. While his passion for flight never wavered, it did take a pause when music entered his life. Dane has toured and opened up for some of the greats, including Bon Jovi, Nickelback, Filter and Live just to name a few. He has played some amazing venues as well as stadiums in front of 70,000 people (ask him about meeting Tom Brady backstage at Gillette Stadium). Fast Forward a decade and you'd find him crushing sales goals owning a DQ in Western WA and cultivating relationships with other small business owners.

Success soon followed, allowing the door to flight training to swing wide open. Dane started his aviation journey here at Bergstrom Aircraft and returned to complete his CFI training after attending ATP Flight School in Arizona. Dane is eager to help you and will be in your corner every step of the way to reach your goals and dreams.
