

Owen Towry

Certified Flight Instructor (CFI)

Certified Flight Instructor Instrument (CFII)

Multi-Engine Instructor (MEI)

Qualified in: C172 Skyhawk C172 (180hp) C182 Skylane PA34-200T Seneca

Owen decided to pursue flight training full-time in Oklahoma City, and was able to accelerate his flight training showcasing his commitment to realizing his dream.

Owen completed his training in just 11 months, highlighting his dedication and aptitude for aviation. He chose to return to his roots near Ephrata and Moses Lake, seeking connection and community. At Bergstrom Aircraft, he now imparts his knowledge and love for flying to eager learners.

Owen's humility and openness about his uncertain career path underscore his grounded nature and willingness to embrace opportunities. As he refines his skills as an instructor, his passion for aviation fuels his desire to nurture the next generation of pilots.
